A	Water DUB DIOL* Aqua - Sodium Benzoate - Potassium Sorbate Citric Acid solution 30% (pH to 5)	88.26% 3.00% 1.00% 0.08%
B	SEPIMAX ZEN™	2.00%
C	OLIGOGELINE™ PF AQUAXYL™ SUBLIGANA™	2.00% 1.50% 2.00%
D	Fragrance "Fresh Aloe" Red #33, 1.0% solution	0.05% 0.11%

Clear Orange Gel / Packaging: Jar

pH: 5.3 / **VISCOITIES: 1M at RT:** 91,580 cps Brookfield LV64V3.0
Recovery at RT (after 1M at 45°C): 101,000 cps Brookfield LV64V3.0
STABILITY: Passed 3 month at RT & 45°C, 3 F/T cycles at -5°C/+40°C

FORMULATION ADVICES: Laboratory scale - 300g - Defloculator

Combine phase A and adjust to pH 5. Add phase B into A and mix until smooth gel is formed. Add phase C and then D. Check and adjust to pH 5 - 5.3.

COLD
PROCESS

Apply this refreshing and soothing gel on the face at night and wipe away in the morning for rebalanced, clearer skin.

Feel confident with clearer skin!

SEPIMAX ZEN™ (Polyacrylate Crosspolymer-6) has the ability to achieve **crystal clear gel** and **maintain stable formulation** in high level electrolyte systems. Pre-neutralized powder polymeric thickener with a MAXIMUM resistance to electrolytes. It imparts rich, velvet and elegant skin feel.

AQUAXYL™ (Xylitylglycoside & Anhydroxylitol & Xylitol) **the essential moisturization active**, coming from sugar based chemistry, helps to moisturize and reinforce the skin barrier while you sleep. AQUAXYL™ moisturizes and restructures the skin by harmonizing the hydric flow of the skin.

OLIGOGELINE™ PF (Chondrus Crispus Extract) forming a smooth and comfortable protective film on the skin's surface providing a film forming effect and long lasting diffusion of actives. Coming from a specific algae of the red seaweed family, works as a second skin, forming a natural non occlusive shield to protect from pollution effects

SUBLIGANA™ (Glycerin - Aqua/Water Harungana Madagascariensis Extract) **is the key active for this formulation reducing whiteheads and pore size as it smooths and purifies the skin overnight.**

Natural origin source from the Harungana, pioneer tree that protects primary forest areas. Protector against bacterial secretome, it reduces blackhead and pore size for an improved skin texture! (in vitro & in-vivo tested). Results in 28 days

Partner Ingredients

DUB DIOL* (Methylpropanediol) a multifunctional emollient **offers soft skin feel on application. Helps to reduce tackiness and offers time release properties for actives**

This multifunctional glycol provides moisturization, maintains high level of hydration while being less tacky than glycerin. Odorless, colorless and hydrophilic, helping solubilizing and enhancing fragrances and preservatives power: it is ideal for clear formulas

ADDITIONAL INGREDIENTS: Aqua - Sodium Benzoate - Potassium Sorbate: EUXYL® K 712 (ASHLAND) / Red Color: #33 @ 1.0% solution (Gold Coast) / Fragrance: SZUS044448. (SOZIO) Citric Acid at 30%
